SOUTH AFRICA PRE-DESIGNED TOURS

Gourmet Tours of Southern Africa

A SAFARI OF THE SENSES!

To experience the flora and fauna, landscapes, beaches, lakes and ambiance (whether at a table in the bush, a picnic, or a city/country restaurant) what better way to celebrate the sights of the day than enjoying an outstanding meal with a perfect wine pairing?

South Africa boasts some of the best cuisine and wines in the world and is an integral part of any visit to the region. You'll find all sorts of influences from East to West; spices from the East Indies and Malaysia; the best of the French and British cooking and some local specialties too, developed over the centuries.

A must is a gourmet tour of Cape Town. Eat your way around the city, sampling local specialties whilst learning about the local sights and stories of the Mother City.

No matter where you go in Southern Africa, there is such good food your palate will never be disappointed! And the gourmet aspect of your safari will always be part of the design of your tour.
